To see what we can see
The people of the earth
Are beautiful to me
Let's open up our ears
and learn something today
We're going to go to a place
Where children laugh and play.

Colors, colors
In the spring time
The fields like to dress
themselves up in their colors
Colors colors
Little birds spread their feathers in all their
different colors

Colors colors
Shining rainbows are filled up with
beautiful bright
Colors too
I love seeing the fields and the
birds and rainbows in yellow and
purple and blue
I love orange and violet and green
pink and crimson
these colors remind me of you.
