1. Light a Candle for Peace

Light a candle for peace
Light a candle for love
Light a candle that shines
all the way around the world
Light a candle for me
Light a candle for you
That our wish for world peace
Will one day come true

Sing peace around the world
Sing peace around the world
Sing peace around the world
Sing peace around the world

2. This Place Called Earth

Each and every living thing
Makes up this place called earth
And each and every living thing
You'll see is of great worth
The flowers on the mountainside
The fish deep in the sea
The animals and insects
the birds up in the trees
It's not just you and me who live
upon this great big land
Remember that we share this place both
animal and man
The futures's up to us,
It's in our hands.

3. Everybody Needs a Smile

Today I will smile at the world and its people
Everybody needs a smile
I'll smile at my neighbors my friends
and my teachers
Everybody needs a smile

Open your mouth and show us your smile
Sing how do you do
Im so glad I met you
Oh smile!
Today I will smile at the world and its people
Everybody needs a smile!

4. I Can Use My Hands

I can use my eyes to see
The good inside humanity

I can use my mouth to say
Kind messages I'll give away
I can use my hands to share
Wonders I find everywhere
I can use my feet to walk
Arm and arm with you

I can use my ears to hear
Wisdom taught by those revered
I can use my arms to hold
those in need both young and old
I can use my mind each day
to find this world a better way
I can use my heart to love
and help me carry on.

5. Let's All Get Along

Let's a wiggle and a jiggle and a twirl and pop
The world goes around
and it's not going to stop
So let's all get along and share what we have
It makes you feel so good inside
it makes you feel so glad!

Let's a wiggle and a jiggle and a twirl and pop
The world goes around
and it's not going to stop
So let's all get along and share what we have
It makes you feel so good inside
it makes you feel so glad!

5. Different is Okay

I've got brown eyes and you've got green
I'm wearing red pants
and you're wearing blue jeans
I live in Chile and you live in France
I like to play soccer and you like to dance
Oh there's so many things that make you
different than me
but underneath those things we're the same
you see

we all just love to learn and dance and sing
and run and play
It doesn't matter that we're different different
is okay.
(repeated)

Don't give up when you're feeling sad
Don't give up when the day goes bad
Don't give up when it feels like everything's
starting to fall apart.

Don't give up when you've fallen down right
right from the very start

Don't give your'e to be all right
Don't give up your going to win this fight
Don't give up cause the sun is going to shine

Just you wait and see. . .

One sun,
shining over the people
sharing the light
One moon,

One sun, one moon,
for all the people
One sun, one moon,
